SEBA Hair Growth System

Moisturizing Shampoo **\$15.00**

Description: A very gentle conditioning shampoo for the special needs of chemically treated hair. Nourishing concentrations of Whole Wheat Protein, Panthenol, Jojoba and Vitamins A, D, and E create a super infusion of moisture and protein that strengthens and repairs hair damaged by over processing. A calming blend of botanical extracts naturally to soothe the scalp. Your hair will be more manageable, fuller and shinier with every use. Eliminates chemical treatment odors, PH balanced.

Directions: Apply a small amount to wet hair, massage into a rich lather. Rinse thoroughly. For extra conditioning, leave on hair for 3 minutes to allow maximum absorption of rejuvenating ingredients.

Ingredients: Extracts of Aloe Vera, Cherry Bark, Chamomile, Natural Henna, Goldenseal, Calendula, Hops and Soap Bark, Sodium Laureth Sulfate (Coconut)*, Sodium Cocoyl Isethionate (Coconut), Cocamidopropyl Betaine (Coconut)*, Cocamide DEA (Coconut)*, Methyl Gluceth-10 (Corn)*, Panthenol (Pro-Vitamin B)

Moisturizing Conditioner **\$20.00**

Description: A super-moisturizing conditioner that helps restore lost moisture to thirsty hair. Transforms dry, damaged hair into lustrous, full, healthy-looking hair. Soy protein helps prevent split ends and Panthenol helps hair retain moisture as it improves elasticity. Anti-static agents reduce flyaway hair.

Directions: After shampooing work small amount into hair and scalp, allow to remain on hair for 2-5 minutes. Rinse through with moisturizing capsules and style as desired.

Ingredients: Water, Cetyl Alcohol, Glyceryl Stearate, Stearyl Alcohol, Steralkonium Chloride, Polyquaternium-11, Panthenol, Hydrolyzed Soy Protein, Benzalkonium Chloride, Disodium EDTA, Laureth-4 Citric Acid, Benzophenone-4, Methylparaben, Propylparaben, DMDM Hydantoin, FDEC Yellow #5, DEC Red #33 Fragrance.

Moisturizing Capsules **\$26.00**

Description: Moisturizing Capsules

Directions: Place capsule and distribution oil evenly throughout the hair. Use daily as needed. Apply to wet or dry hair. For deep conditioners: mix 2-3 capsules in conditioner, place under plastic cap and sit under warm dryer for 15-20 minutes, rinse and apply one capsule to wet hair and style. For added moisture: add one capsule to relaxers and application instructions as stated on relaxer. Helps repair dry, damaged or chemically treated hair, due to loss of moisture.

Ingredients: 100% Natural Oils Store at room temperature. Keep out of direct sunlight.

Hair Vitamins

\$55.00
